PRESS RELEASE

Subject: President's Program for the care of Highly Qualified Overseas Pakistanis

Ministry of Labour and Manpower has launched a programme entitled "Pakistan's Programme for the Care of Highly Qualified Overseas Pakistanis (PPQP)." The objective of the programme is to develop a data bank of highly qualified Pakistani professionals abroad and evolve a system to avail their expertise and advice through an online networking interface. An interactive website www.ppqp.gov.pk has been developed for the purpose.

Under this programme, courses of short-term and long-term duration would be sponsored by the National Talent Pool of the said Ministry, through which expatriate Pakistan experts can make contributions to various institutions in Pakistan.
